GARBAGE COLLECTION GUIDELINES

- All garbage containers should be placed at the street in designated area 3 feet from any obstruction.
- Position containers with wheels away from the street.
- Put out containers no earlier than dusk on the evening prior to scheduled collection and no later than 6 am on collection days.
- Containers must be removed from the street and out of sight, where possible, by the owner or occupant of the premises by midnight on the day of collection.
- No containers of any type are to be placed, kept, or left on the street for any purpose on Saturday and Sunday, except as provided for those with Monday pickups.
- In residential areas, all garbage must be in an approved 95-gallon roll-out container.
- One 95-gallon container will be provided by the Town. If an extra 95-gallon container is needed, the resident will be responsible for purchasing a second container from the Town and will be billed at the Town's cost.

POSITION BINS WITH WHEELS FACING AWAY FROM THE STREET

ROLL OUT BY 6 AM

RETURN BY MIDNIGHT

- The maximum total garbage pickup per residence shall not exceed 190 gallons per week.
- Waste and refuse must be placed in bags and must be contained entirely within the receptacle.
- Spillover litter, excess items or bags near receptacles, or any other condition declared a nuisance will not be picked up.
- Do not block driveways or sidewalks.

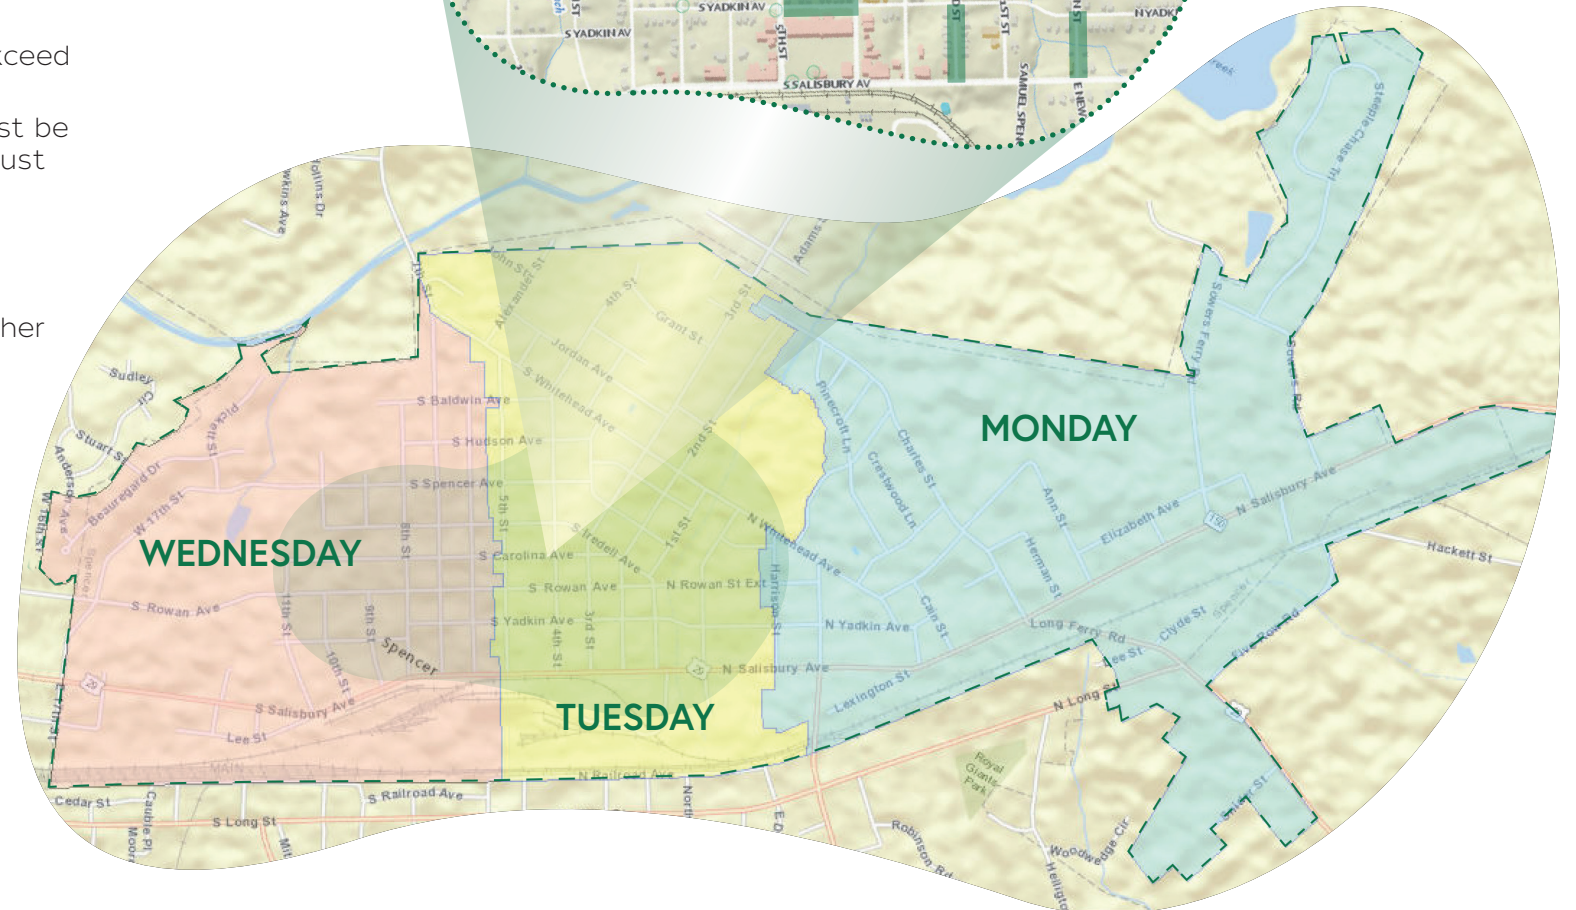

PARKING CHANGES

Residents within areas with parking conflicts will be contacted directly to work out a parking solution on their designated garbage day. We will be hosting events and inviting these residents to get their feedback on possible ideas before making a decision. Throughout this process, we will make minor changes as needed to make this transition as smooth as possible.
