JOIN US for a unique evening at Spencer Library. We're gathering stories of the hardworking people who built Spencer to inform the design of our **new Town Hall mural**, which will honor and celebrate Spencer's rich labor history. Share your story, shape our mural, and leave a legacy!

Your personal or family stories about working in Spencer will inspire the design of the new Town Hall mural by artist Max Dowdle. Every story matters, whether it's a memory of a grandparent who worked at the Shops or your own experiences working in Spencer.

Thurs. Feb. 22

SPENCER LIBRARY

6:00 PM

300 4th Street

Expect an evening of warm drinks, engaging conversations, and a chance to reflect.
