COMMENT

(Statement of why you want to serve on this group and any experience you have that will be relevant to the group)

Patrice M. Mitchell

510 4th Street

Spencer NC 28159

Growing up in the country, my grandfather owned over 400 acres of land. As a child, I was required to work in the fields and gardens, learning the value of hard work and dedication at a young age. My mother was an avid gardener who taught me all about beautification and maintaining a visually pleasing environment. These early experiences have instilled in me a deep appreciation for the natural world and a desire to preserve and enhance the beauty of our surroundings.

My deep-rooted connection to the Spencer community and my genuine interest in maintaining its attractiveness drive my desire to serve on the Community Appearance Commission. A visually appealing community fosters a sense of pride and belonging among residents. I am committed to collaborating with fellow commission members to develop initiatives to enhance our town's aesthetic appeal further.

My extensive background in gardening and landscaping, coupled with my passion for beautification, will be invaluable to the commission's responsibilities. I have a proven track record in designing and maintaining outdoor spaces, selecting appropriate plants, and implementing sustainable practices to enhance curb appeal. I am confident that my skills and experiences align with the commission's goals, making me a valuable contributor of insights and ideas.

In conclusion, I am eager to serve on Spencer's Community Appearance Commission because my skills and experiences make me well-equipped to enhance our community's visual appeal. I look forward to collaborating with fellow members to create a more beautiful and inviting environment for all residents.
