

Exempt Subdivision Permit Application

Certificate of Exemption

Spencer Town Hall • 460 South Salisbury Ave, Spencer NC 28159

Office: (704)-633-2231 ext. 28 • Steve Blount • sblount@spencernc.gov

All land use and development activity is governed by the Spencer Development Ordinance (SDO). Article 18 establishes the Town's standards for the subdivision of land. In accordance with N.C.G.S. 160D-802, certain exempt divisions of land are not included within the definition of "subdivision" and are not subject to the Town's subdivision regulations.

Determination & Certification of Exemption. The determination of whether a division of land is exempt shall be made by the *Planning, Zoning, and Subdivision Administrator*, upon application of the property owner or agent, with supporting documentation (maps, plats, etc.), as needed. Upon a determination by the *Planning, Zoning, and Subdivision Administrator* that the proposed subdivision is exempt, a certificate of exemption shall be issued, and the subdivision shall not be subject to the Town's subdivision regulations.

Effect of Certification of Exemption. Divisions of land found to be exempt from the definition of subdivision are not required to meet the Town's subdivision regulations. However, a building or zoning permit may only be issued with respect to a lot that has been created by an exempt division if said lot meets the standards for development set forth in the SDO. Typically, it is advised that subdividers meet the lot dimensional standards established in Article 8 (Districts) of the SDO (e.g., min. lot size, min. lot width, min. setbacks).
